Professional Summary

- React Native Developer with 2 years of experience building cross-platform mobile applications.
- Skilled in TypeScript, React Native, Redux Toolkit, REST APIs, Firebase, and mobile UI implementation.
- Strong understanding of app performance, navigation flows, and Android/iOS release preparation.

Skills

Mobile:

React Native, TypeScript, JavaScript, Expo

State management:

Redux Toolkit, Context API, React Query

Backend services:

Firebase, REST APIs, Push Notifications

Testing:

Jest, Detox basics

Tools:

Android Studio, Xcode, Git, Figma

Work Experience

React Native Developer at MetroByte Solutions

Dubai, UAE | May 2024 - Present

- Built booking, profile, and wallet screens for a transport services app.
- Integrated push notifications and deep links for trip status updates.
- Improved UI responsiveness by optimizing list rendering and image loading.

Mobile Development Intern at PalmStack Digital

Sharjah, UAE | Jul 2023 - Apr 2024

- Implemented reusable React Native components from Figma designs.
- Assisted with API integration for onboarding and account settings.
- Performed manual testing across Android and iOS simulators.

Projects

RideMate Booking App

Tech Stack: React Native, TypeScript, Redux Toolkit, Firebase

Built a ride booking prototype with location search, trip history, and status alerts.

MealTrack Mobile

Tech Stack: React Native, Expo, React Query, REST API

Created a meal planning app with recipe lists, favorites, and weekly tracking.

Education

B.Sc. in Software Engineering - University of Dubai

Dubai, UAE | 2019 - 2023

Certifications

- React Native Mobile Development Certification
- JavaScript Essentials Certification
