Professional Summary

- Senior React Native Developer with 7 years of experience building consumer mobile products and cross-platform app systems.
- Skilled in React Native, TypeScript, native module integration, performance optimization, and mobile release management.
- Experienced in leading mobile architecture decisions and mentoring developers across distributed teams.

Skills

Mobile:

React Native, TypeScript, JavaScript, Expo, Native Modules

State management:

Redux Toolkit, MobX, React Query

Backend services:

GraphQL, REST APIs, Firebase

Testing:

Jest, Detox, Appium basics

Deployment:

Fastlane, App Store Connect, Google Play Console

Work Experience

Senior React Native Developer at UrbanPulse Apps

Porto, Portugal | Jan 2021 - Present

- Led mobile development for a city services app used for bookings, payments, and alerts.
- Improved app performance by optimizing navigation transitions, list rendering, and image caching.
- Established release pipelines using Fastlane for Android and iOS deployments.

Mobile Engineer at WavePoint Digital

Lisbon, Portugal | Jun 2018 - Dec 2020

- Built React Native features for ecommerce, loyalty, and customer support apps.
- Integrated GraphQL APIs, push notifications, and analytics SDKs.
- Mentored junior developers on component structure and debugging workflows.

Frontend Developer at BrightWeb Studio

Braga, Portugal | Jul 2017 - May 2018

- Developed responsive React pages for small business websites.
- Implemented reusable UI components and basic API integrations.
- Collaborated with designers to refine mobile-first layouts.

Projects

CityLink Mobile

Tech Stack: React Native, TypeScript, GraphQL, Fastlane

Built a city services mobile app with bookings, payments, notifications, and account management.

FitClub Companion

Tech Stack: React Native, Redux Toolkit, Firebase, Detox

Created a fitness club app with class schedules, check-ins, and automated mobile tests.

Education

B.Sc. in Software Engineering - University of Porto

Porto, Portugal | 2013 - 2017

Certifications

- React Native Advanced Development Certification
- Mobile CI/CD with Fastlane Certification
